

Research Day Program at Kentucky Downs Attracts Full Slate of Race Sponsors

Grayson-Jockey Club Research Foundation has announced that all nine available races at Kentucky Downs on Sept. 10 have received sponsors. Under a program offered by Kentucky Downs president Corey Johnsen, Grayson solicited payments to sponsor the \$150,000 One Dreamer Stakes and eight overnight races on that day's card.

The special sponsorship of the One Dreamer is provided through Craig Bernick, whose family's Glen Hill Farm campaigned the grade 1 winner One Dreamer. Other race sponsorships for the special Grayson Day are: Equibase, Hagyard Medical Institute, Kentucky Thoroughbred Association (KTA-KTOB), OwnerView, Rood & Riddle Equine Hospital, Starlight Racing, Taylor Made Sales, and the Lavin Family's Wedgewood.

Sponsors will be hosted at Kentucky Downs on Sept. 10 and will present trophies after each of their races.
