**Stallions whose first crop was foaled in 1995 or later, which have at least three crops of foals three years old or older, and which have at least 100 foals of racing age.**

**Current two-year-olds are excluded from all statistics**

**Stallions with identifiable stud fees as of 2005 or later. (Even if now deceased a stallion which stood in 2005 likely will have yearlings of 2007)**

**Stallions with a lifetime percentage of at least 70% starters from foals. ( National average fluctuates around 70% annually).**

Percent Starters from Foals of Racing Age (excludes current year 2 year olds)

(7/3/07) (minimum 70% starters)
