

“ I am excited to be the master of ceremonies for the sixth Welfare and Safety of the Racehorse Summit. Past Summits have resulted in important steps, including the Race Track Surfaces Testing Lab and the Equine Injury Database. This next Summit is sure to present more useful and important information on reducing risk of injury, improved track surface management, and the importance of trainers’ ongoing study of their profession.

Please join me for these sessions, which are free and open to the public. ”
