

This will be the page you see every time you log into your account once you registered.

Once you have Completed the budget summary, the grant will auto-populate the details for the first year and if a two year grant the second year detail page.

Once you have visited and at least partially completed each area, the signature page to certify the grant, will become available to present to the grant administrator who will need to sign off on the project, as well as the PI.

The formula for the 10% indirect cost will automatically compute the allowable amounts. Salary is exempt from the 10%. Once this page is completed, detail budget page(s) for the first and if needed second year will populate to complete.

Budget Summary for the Entire Proposed Grant Period for Project:

Budget Category	1st Year	2nd Year	Totals
*Personnel (Salary & Fringe Benefits)	0	0	
Consultant Costs	0	0	
Supplies	0	0	
**Domestic Travel	0	0	
**Foreign Travel	0	0	
Other Expenses	0	0	
10% of Allowable Overhead Based On This Sub Total	0	0	0
10% Indirect cost	10 %	10 %	
Total for Entire Proposed Period	0	0	0

Push Update below to populate totals.

Total for Entire Proposed Period must match Line 2 of Application page (Principal Investigator Information).

First Year = 0

Second Year = 0

Total Amount = 0

*Salary and Fringe Benefits cannot be allocated for Principal Investigator(s) or faculty of the applicant or collaborating institution(s).

**The Foundation will fund domestic travel to a meeting to present the results of this research, and will cover publication costs, not to exceed \$2,000 (for both travel and publication), and only in the last year of the grant.

JUSTIFICATION

Describe the specific functions of the personnel and consultants. If an annual increase in personnel costs is anticipated, give the percentage. For all years, justify any costs for which the need may not be obvious, such as specialized equipment, foreign travel, supplies, and determination of animal costs. For second year of support requested, justify any significant increases in any category over the first 12 month budget period. GJCRF will fund up to 10% of Indirect costs. Include the following headings where pertinent: PERSONNEL, CONSULTANT COSTS, SUPPLIES, TRAVEL, OTHER EXPENSES. **Tuition is NOT funded.** Please include disclosure of ANY potential financial conflict of interest. This includes % of ownership interest of ANY researchers in ANY company which will receive revenue from the research project. **If you wish to create a table you may wish to formulate your layout in Word and paste into the document.**

Update

This will display the details of the first year budget. Each person listed under the personnel page will display here. Note everyone should have some % of effort listed in either the first and/or second year of the budget pages. The total % of effort on each page should equal 100% when added up. Salary and Fringe are listed here, but do not have correlation to the % of effort. It is merely placed here for spacing issues on the form.

First Year Budget Period:

Please note the percent of effort each person (applicant organization only) will be applying on the grant, with the total effort from all parties equaling 100%. Salary and Fringe Benefits cannot be allocated for the Principal Investigator(s) or faculty of the applicant or collaborating institution(s).

Please read upload instructions carefully. The entire group of uploads can not exceed 3 MB when added together to create the final application. ONLY PDFS should be uploaded and ONLY the number of pages listed should be uploaded. If you have a reapplication, the previous application will be created as a link in our soft ware so as not to count against the size of the new application.

Upload Pdf's:

Instructions for pdf pages

The remainder of your grant application will need to be uploaded as a pdf. Please follow the following instructions for each portion of the application. Failure to do so may forfeit your consideration for funding. For the (PDF) files you upload, it is recommended that use Arial font, in 11 point type, regular (not bold) type, with a page size of 8.5 x 11 inches. Upper and lower case in the body of the plan.

The PDF version of the Research Plan may include graphics, tables and diagrams as needed; however please note that the total size of the completed application must be less than 3MB so be sure to downsize graphics and pdfs to comply. CHECK each page to make sure it is uploaded, if you get a blank page- there is an error and we will not be able to see it. Proof the entire application before submission- what you see is the ONLY application we will receive.

PLEASE NOTE IF THIS IS A RESUBMISSION; Please provide specific responses to the original reviewers' comments at the beginning of the research Plan. This can be up to an additional 2 pages, making total pages in the Research plan no more than 17 pages.

Please note if you should need to replace an uploaded file, please reload the new page and it will automatically replace the existing file with the new upload. Be sure to hit the [REFRESH](#) message after loading to replace the page.

The TOTAL file size should be less then then 3MB for entire document when added together. When you go to PREVIEW the final pdf if you get an error message or do not see a pdf created, then there is an error in your pdf size or formatting.
