ALLIANCE***

Video surveillance complements boots-on-the-ground.

Video surveillance does not replace boots-on-the-ground.

Organization of

Racing Investigators

**Who is watching?**

**Do they know what they are looking at?**

**Do they know what they are looking for?**

# How long should we retain video

# What are the top priority video surveillance locations?

- **Main Stable Gate**
- **Test Barn**
- **Receiving Barn / Ship-In Barn**
- **Jockey Scales**
- **Shedrows**
- **Paddock**
- **Stables and Perimeter**

# What is role of video surveillance within a complete “In-Today” program?
