

Our “Tribute” program allows you
to honor the life or memory of any horse.

This can be your horse, a favorite horse,
or a friend or client’s horse.
Our website tribute wall enables you to share a photo

Examples from our website include fans of favorite race horses, sharing in the accomplishments of a show horse, companies honoring their client’s horses and those remembering horses that have crossed the rainbow bridge.

Two giving levels are available
and with both levels there is a gift.
If the donor is making a donation
for someone else, the owner
will be notified about the
donation and receive the gift.

Reserve Champion Level
(\$50 - \$99 donation)
Along with the photo
display, a leather bracelet
with the name of the horse
is also included.

photo on our tribute
wall, as well as a choice of a
special bracelet
or other tribute gift
